DIGITAL DOCTOR LAUNCHED BY DR.NISANTH NAMBISON AND WAS AWARDED BRITISH INSTITUTE FELLOWSHIP IN SINGAPORE

Singapore, 17 Oct 2008

In a glittering function organized by the Singapore faculty in a Five star RELC Auditorium **Mr.Charles Tankard Hahnemann** the great great grandson of Dr.Samuel Hahnemann one of the most **celebrated Physician (Germany)** of all time inaugurated the Digital Doctor (A combination of Software & Hardware) & declared its **international launching**. On this occasion the apart from Dr.Rangachari (CEO, Singapore Faculty) many eminent international physicians were present.

On this occasion Dr.Nisanth Nambison made live demonstration of Digital Doctor. Shedding light on the new gadget Dr.Nambison informed that apart from assisting the Doctor in the clinic in **diagnosis & treatment**, Digital Doctor will revolutionise the concept of **Telemedicine/ Cybermedicine/e-Medicine**. The patient can virtually sitting at home consult the Specialist Doctor sitting in any city of the world.

This unique medical diagnosing software contains details of more than 1200 diseases. Mere input of the symptoms of patient reveals the diagnosis & line of treatment for that particular patient.

Digital Doctor can come handy to the Health workers in **remote rural area** to diagnose & decide the line of treatment in difficult or emergency situation. At the same time he can consult specialist doctor sitting at the tertiary center. This will not only bring down the mortality rate but also bring down morbidity saving the **time & money** of patient & bringing down the severe patient inflow in the Higher centers.

MDSE (Medical Database Search Engine) & **MSST** (Mid-String Search Technology) makes this software further more beneficial & unique.

The said hardware can record & transmit the Heart sounds, fetal heart sounds in mothers womb, lung & abdominal sounds through satellite, internet or MMS. The said Digital Doctor can immensely **bring down the expenditure** in health care sector.

Mr.Charles Tankard Hahnemann congratulated Dr.Nisanth on his rare achievement & appreciated the efforts taken up by a Homoeopathic Physician in revolutionizing the world of Telemedicine.

In the conclusion ceremony Dr.Nisanth Nambison (Developer) & Dr.Mohd.Zakariya (Marketer of Digital Doctor) & Director of New Life eBooks & Allied was conferred the **FBIH** (Fellowship of British Institute of Homeopathy, London) & **medallion** by Mr.Charles Tankard Hahnemann for his contribution to the field of medicine & Information Technology.
